Word Order Example

[yes/no][interrogative word][verb][independant/dependant marker][negate][TENSEMOODASPECTMARK][adverb][article][subject][plurality][demonstrative/determiner][adjective][location marker][article][object][location marker][adjective][article][indirect object][IMARK][location marker][adjective][conjunction]-clause2-clause3

independant/dependant marker is referencing saying "when the sun shines we shine together" vs "the sun shines when we shine together" if you use the independant marker that means that clause 2 is dependant on clause 1 or dependant means clause 1 is dependant on clause 2
